

Romulus Athletic Center Membership Update

June 15, 2026

Dear Valued Member,

At Romulus Athletic Center, we remain committed to improving our facility, expanding our programming, and providing high-quality services for our community.

Over the past several years, we have made a few important improvements, including new fitness equipment, new rooftop heating and cooling units, expanded programming, new steam rooms, and the next phase of our banquet facility expansion with a new atrium.

As we continue making these investments, our operating expenses have also increased. To help support these enhancements and maintain the level of service our members expect, we will be implementing a modest membership rate increase. Our last membership rate adjustment was in July 2024. All adjustments will be made at the time of membership's annual renewal date.

In addition to these updates, we are also adding new membership benefits:

- Daycare services will now be included with all membership levels.
- Boarding Pass Plus membership will now include free fitness classes.
- Boarding Pass Plus membership will now include five free guest passes.
- Boarding Pass Plus membership will also include additional discounts.

Below is a summary of the updated membership rates.

3-Month Memberships
